

## **PANS Trainee Workshop – Application**

August 11-13, 2022  
University of Glasgow School of Veterinary Medicine

*Send completed pdf to: **PANS.Workshop.2022@gmail.com***

### ***“Neuroendocrine Techniques at the Cutting Edge”***

Opportunity to interact with world-class neuroendocrine researchers; listen to state-of-the-art presentations about the newest techniques in neuroendocrine research; network with fellow trainees from around the world; and develop your professional skills.

*Anticipated costs include accommodation (~£45 per night for 3-4 nights) and workshop registration (~£100, includes lunches and networking excursion). A portion of these costs will likely be waived for attendees (pending sponsorship funding).*
